AFRICA MUST BE FREE IMMEDIATELY, FROM EUROPEAN WHITE WORLD: MAKE AFRICA BLACK AFRICA

This is a call for Human Justice Through Human Rights

I, King Emmanuel Charles Edwards, the Black Secretary General of the Black United Nations and Crowned Champion of Human Rights call upon the White United Nations Internationally for the Rights of the People through Human Rights Articles 1-30. The Universal Declaration of Human Rights was proclaimed by the General Assembly of the United Nations for the Security, Equality and Justice of all People and all Nations. This Declaration is for Right and Freedom which is handed down to all Persons both Nationally and Internationally to secure their Universal and Effective recognition and observance and should therefore be upheld and respected by all Universally and Internationally.

I demand that the head of New York General Assembly and the head of Geneva General Assembly straighten the Universal Declaration of Human Rights Internationally, so We the Poor and Have Nots could have Our Rights Internationally through the Universal Declaration of Human Rights as these articles were proclaimed by the United Nations on the 10th of December 1948 and passed by the President of the United States at that time, Mr. John F. Kennedy. These Articles are to minister Justice to all People: the rich, the poor, the haves and the have nots by all heads of government, for it is the heads of government of the world that come together and make up the United Nations. I, the Right Excellency of the Royal Wealth of Black Sovereign Nation, who is here in Egypt/Jamaica in exile, calls on all heads of government universally; this includes Jamaica and all other heads of government who have a seat in the United Nations because they all have embassies down here. This is a call of paramount importance through the voice of Jes-us Christ, the I Am the I Am who bore five bleeding wounds for the Articles of Human Rights and the International Rights for which they stand.

Article 1, "All human beings are born free and equal in dignity and rights. They are endowed with reason and conscience and should act towards one another in a spirit of brotherhood." Through such article nothing has been done for us the Poor and Needy and Have Nots so we will have to talk for ourselves; for we Ethiopians in exile are still being denied Our Rights to Freedom and Equal Dignity for we are still being held in slavery in another one's country. It is stated that All Man are born "free and equal" so we call on the Secretary General of the White United Nations to see to it that the Rights of this Article be granted to Us the Black United Nations in Rights and Justice; also these Rights are to be issued and ministered to all states of Ethiopia/Africa internationally with these covenants of the Red, Gold and Green and the Red, Black and Green with the Black Five Point Star and the Lion Symbol internationally. No spirit of Brotherhood could exist in a state where one race or nation enslaves another as is going on now.

Article 2, "Everyone is entitled to all the rights and freedoms set forth in this Declaration, without distinction of any kind, such as Race, Colour, Sex, Language, Religion, Political or other opinion, National or Social Origin, Property, Birth or other status. Furthermore, no distinction shall be made on the basis of the political, jurisdictional or international status of the country or territory to which a person belongs, whether it be independent, trust, non-self-governing or under any other limitation of sovereignty." So where are the Rights of the Black Race, the Poor and Have Nots? As it is stated, everyone is entitled to all the Rights and Freedoms set forth in this Declaration without distinction with regard to Race. This is not only to be read out but to be acted upon so We the People could have Our Rights Internationally through the Human Rights Charter. Through your institutions of colonialism and imperialism, we are being denied Our Rights to Sovereignty and Self-Determination through discrimination on the basis of Race, Colour, Language, Opinion, National and Social Origin, also Our Birth and Our Church.

Article 3, "Everyone has the right to life, liberty and security of person." All these Rights have been taken away from us, the People; for where is Our Right to Life, Liberty and Security for We the Poor and Have nots to Our Birthland, Black Ethiopia

Black Addis Ababa, Black Jerusalem? I am calling for this Right from the Secretary General of the White United Nation to see it fulfilled with the Black Secretary General of the Black United Nation under the banners of Red, Gold and Green; the Red, Black and Green and the Black Five Point Star, the covenants of the Black House of Israelites so we could have True Liberty and Security and Freedom to our own way of life. The Secretary General has all power to veto any country that violates or opposes these articles and the keeping of this pledge.

Article 4, "No one shall be held in slavery or servitude; slavery and the slave trade shall be prohibited in all their forms." I call for all these Rights to be acted upon for the People as a whole (Black, White, Red, Yellow etc) For God created Us All in His Own Glory. We the captives, the Royal Black Ethiopians here in exile, in Jamaica and the western world want Our Freedom, Redemption and International Repatriation to Our vine and fig tree, with seven or nine miles of Black Starliner Ships. We were taken from Ethiopia/Africa, the continent of Our Birthright, illegally through slavery and the slave trade of the European Nations so we should be returned legally by all heads of governments through which it was done, through Human Rights. Queen Elizabeth II as head of state of Britain, our colonial slave masters as well as of this Jamaican Government which now stand in their stead: they must see to it. Whereas the People of the United Nations have in their Charter reaffirmed their faith in the fundamental Human Rights, in the Dignity and Worth of the Human Person and in the Equal Rights of Man and Woman and have determined to promote social progress and better standards of life in larger freedom, I demand that the United Nations, which represents all these governments of past and present colonial systems, should enact such Rights as a matter of Paramount Importance.

Article 5, "No one shall be subjected to torture or to cruel, inhuman or degrading treatment or punishment." This Article is showing what the world is doing to us today. I, the Crowned Champion of Human Rights, demand that all these violations be stopped. Whereas recognition of the inherent dignity and of the Equal and Inalienable Rights of All Members of the Human Family is the Foundation of Freedom, Justice and Peace in the world, therefore the degrading and inhuman treatment of one race by another and one class by another through imprisonments, executions and rule of force is against the very fundamental principles of Human Rights.

Article 6, "Everyone has the right to recognition everywhere as a person before the law." I, King Emmanuel call on the secretary general of the White United Nations to see to it that all the Rights of this Article be respected and acted upon so that the brutality to we the people and the violation of this and other Articles of the Charter be stopped immediately as of this year 2009-2010. Whereas it is essential, if man is not to be compelled to have recourse, as a last resort, to rebellion against tyranny and oppression, that Human Rights should be protected by the rule of law; therefore I, the Black Secretary General now call for all the brutality to the People to be stopped and that the Right of recognition as a Person be guaranteed to One and All; for the Black Christ created a Free Earth for Everyone to live in freely. The Black United Nations Secretary General, The Most Rt. Hon. Prince Abraham speaks it Universally home and abroad and it must be done through History and Prophecy.

Article 7, "All are equal before the law and are entitled without any discrimination to equal protection of the law. All are entitled to equal protection against any discrimination in violation of this Declaration and against any incitement to such discrimination." I call on the White United Nations Committee to come together with the Black United Nations Committee, along with the Jamaica Government Cabinet to have these natural rights rectified internationally around the conference table, through Human Rights and Equal Rights. All prison doors are to be opened, for all the brutality that is going on in the world comes through the doings of the evil white world. This is a Paramount Call to tackle Human Rights for Human Justice internationally and universally. Man should not be hanged or shot down. These treatments come because of inequality in the rule of law and discrimination against individuals which cause them to seek other solutions to their dissatisfaction where the administration of law and justice denies them their Rights to Equality and Equal Protection. These articles are not partial, they go for everyone, four wings of earth. People look into your life for you must know

that you are discriminated against every day of your life. As a matter of fact, the very system under which this society is governed is builded on discrimination.

Article 8, “Everyone has the right to an effective remedy by the competent national tribunals for acts violating the fundamental rights granted him by the constitution or by law.” Do not rely upon unions to help as they are ineffective and do not get the full Justice for the People. Furthermore union is not permitted unless it is a union with the Black Christ that stands for Peace, Joy and Happiness and an Equal Right and Justice for All. All other unions are vain; they are just brutal as We the Poor get no Justice from them.

Article 9, “No one shall be subjected to arbitrary arrest, detention or exile.” The head of the United Nations should see to it that such things are stopped. Quite often We the People are arrested and most of the times We are innocent. We Ethiopians are held down here in Jamaica and the western countries arbitrarily in exile. Free up the sea bed so we the Ethiopian refugees could leave out of exile. Why are we denied Our Birthright? Whereas a common understanding of these Rights and Freedoms is of the greatest importance for the full realization of this pledge, now therefore let the General Assembly of the United Nations not only proclaim but act upon the Universal Declaration of Human Rights now universally and internationally.

Article 10, “Everyone is entitled in full equality to a fair and public hearing by an independent and impartial tribunal, in the determination of his rights and obligations and of any criminal charge against him. I am calling upon the heads of the New York and Geneva assemblies to see to it that this article is respected internationally and universally. This article is to be dealt with through Human Rights and Justice, so We Ethiopians can get our Right of Freedom out of another one’s country. Through this article we call for a fair hearing to voice our demand for **Freedom, Redemption and Repatriation Internationally** through the International Law Court of Justice of the United Nations from New York to Geneva and also the White House nationally and internationally. At the same time all whites must come out of Africa by History and Prophecy.

Article 11, “Everyone charged with a penal offence has the right to be presumed innocent until proved guilty according to law in a public trial at which he has had all the guarantees necessary for his defense. No one shall be held guilty of any penal offence on account of any act or omission which did not constitute a penal offence, under national or international law, at the time when it was committed. Nor shall a heavier penalty be imposed than the one that was applicable at the time the penal offence was committed.” All this must be done as it was granted for All the People, the rich, the poor, the haves and the have-nots because what someone does not like for himself he should not do it to another one. This is a call for **Freedom, Redemption and International Repatriation** for us the Israelites to Our Home, Black Jerusalem, Black Ethiopia/Africa. The head of the Jamaican government as well as Her Majesty the Queen must see that this is done through Human Rights Internationally.

Article 12, “No one shall be subjected to arbitrary interference with his privacy, family, home, or correspondence, nor to attacks upon his honor and reputation. Everyone has the right to the protection of the law against such interference or attacks.” I, Prince Edwards, Champion of Human Rights, have many instances where this article has been violated against me and the Ethiopian African Black International Congress Church of Salvation as well as against the Black Nation as a whole. We of the **Ethiopian African Black International Congress** should not be molested or terrorized by anyone. All heads of government must see to this. This is the Embassy for the Poor and Have -nots **here in Jamaica and the western world** and stand to land to Our Crown Head in **Black Ethiopia, Black Africa, Black Addis Ababa, Black Jerusalem the heaven of us the Black Jews, the Black Israelites**. Jerusalem is Our Rightful Home before Britain came in and took it over. This program is for the benefit of the masses of the Black Nation universally and must be heard four wings.

Article 13, “Everyone has the right to freedom of movement and residence within the borders of each state. Everyone has the right to leave any country, including his own, and to return to his country. I call on the white United Nations to recognize these, the

head of Jamaica, the Queen of England and the head of New York and Geneva Assemblies with the other heads of governments and the White House to fulfill these rights and land all the Black people home. We were taken from Black Ethiopia/Black Africa and we have every right to leave Jamaica through the granting of freedom of movement and freedom of traveling. We want our right to return to our own nationality, our own vine and fig tree. I, the Black Christ was sent and have come and stand as the Head of my People, so I am speaking for my People – All Black People from the four wings of the earth must be set free and be taken home universally in Righteousness of Salvation. I the Champion of Human Rights demand that this be done this day through principle and equality and justice. I am Emmanuel and Abraham, the Secretary General of the Black United Nations of the Black Wealth of Nation, Ethiopia the state of Africa. I demand for this to be done for us the Black People as we want to go home now!! We want to work for ourselves and bring Africa to what it was in the beginning instead of working for money and gaining nothing. We are only being brutalized by the different slave masters of the white world. I am the Great Shepherd that speak through these articles to see My People returned home under Our Banners of the Red, Gold and Green and the Red, Black and Green with the Black Five Point Star internationally. Drop the arms and rise the Voice of Unity and Freedom through Righteousness of Salvation.

Article 14, “Everyone has the right to seek and to enjoy in other countries asylum from persecution. This right may not be invoked in the case of prosecutions genuinely arising from non-political crimes or from acts contrary to the purposes and principles of the United Nations.” So why are we the Ethiopians constantly persecuted at Home and Abroad? We have not violated the Charter yet we are being oppressed and held down by foreign political systems, the false principalities and powers of this evil world. Free the People, everyone to his own vine and fig tree so that all lust, oppression, crime and persecution be erased and war shall be no more. I am calling on the white supremacy nations to see to it that all the Rights of these articles are fulfilled as it is you all who declared these Rights and it was passed by all heads of government internationally.

Article 15, “Everyone has the right to a nationality. No one shall be arbitrarily deprived of his nationality .” Africa for the Africans at Home and Abroad through Righteousness of Salvation, not by guns but with Word Sound and Power. You cannot do wrong and get Right, and only Right stand and the Right says that Everyone must return to their own vine and fig tree. The Black Man’s nationality is Black Ethiopia, Black Jerusalem (Isaiah 43 & Micah 4); the Chinese man’s nationality is China, the white man’s nationality is Europe and the Indian man’s nationality is India. So why don’t the white men come out of Africa? Africa must be Black from Cape to Cairo, from Timbo 1 to Timbo 2 internationally and universally so that we the Black People could go Home. We want to go to Ghana, to Nigeria, to Sierra Leone, to Ethiopia, to Jerusalem not by migration for we have no money. We were taken out of Africa empty-handed and by ships therefore we must return by ships freely provided by America, Britain and all the ruling head countries of the United Nations. Twenty million pounds sterling was given by Queen Victoria in 1834 on the 1st of August to have Us the Royal Slave Children returned Home. The heads of all African states should be called on to assist in the sending of ships for us their People to be sent Home.

There is a Nigerian Embassy down here in Jamaica so we are asking the Jamaican government to call on the Ambassador to inform the Nigerian government to please assist in the sending of Ships and Planes to repatriate Us their People as They have the means and We are one Blood Brothers and Sisters. Africa for the Africans, those at Home and Us Abroad. Free repatriation for Us God’s Saints, freedom by seven or nine miles of Black Starliner High Water Ships through the sea bed to take up the refugees up the Nile where they took us from. The African Union is also to send Ships for us their Children. I, the Black Christ in Flesh, the I Am the I Am says that this must be done internationally for I have the perpetual fire to touch earth with famine and pestilence and earthquake, lightning and thunder with storm and sky-burst in diverse places. Set all captives free, We the Poor and Have Nots want to go Home for in Our Father’s place there are many mansions and if it were not so I would have told you (St. John 14:2).

Article 16, “Men and women of full age, without any limitation due to race, nationality or religion, have the right to marry and to found a family. They are entitled to

equal rights as to marriage, during marriage and at its dissolution. Marriage shall be entered into only with the free and full consent of the intending spouses. The family is the natural and fundamental group unit of society and is entitled to protection by society and the State.” This does not apply to Us Black Ethiopians, God’s Chosen People, His Elect Saints as Jes-us says in St. Matthew 22:29 & 30, “Jesus answered and said unto them, ye do err, not knowing the scriptures nor the power of God. For the resurrection they neither marry nor are given in marriage but are as the angels of God in heaven.” There is only marriage which is the marriage supper of the Lamb of Salvation.

Article 17, “Everyone has the right to own property alone as well as in association with others. No one shall be arbitrarily deprived of his property.” This article should stand for the Rights and Justice of us the People, for why are we deprived of the Right to Our Own vine and fig tree. We are not even free on the waste lands to which they have driven us down here in Egypt/Jamaica. The head of the Jamaican government along with the head of Human Rights must see to it that such freedom is granted. We molest no one so no one should molest us. I demand that the United Nations emblem along with the Red, Gold and Green and the Red, Black and Green with the Black Five Point Star and the Lion Symbol fly on every flag pole in Jamaica and everywhere My People, the Black Israelites have been scattered in exile through slavery. It is the right of our property as refugees and it should not be denied us as We have nowhere to go till you send Us Home. Through this article, I the Crown Champion of Human Rights demand that the General Assembly of the United Nations with the Jamaican government have this right acted upon immediately. These are the Banners of the Black House of Israelites internationally, governmentally, parliamentally, churchically and statically with the U.N. emblem as our symbol of security.

The remaining 13 articles of the Universal Declaration of Human Rights of the United Nations General Assembly will be presented in another pamphlet. These articles are of Paramount Importance to everyone as they stand for one and all. Let Us Unite in One Heart of Love and Demand which are stated in the Universal Declaration of Human Rights but which are being denied to us in our everyday lives. Let us hold these people to their words and make them responsible for their actions as everything has to be fulfilled by words and works. Peace and Love.

I close with seven words of Love, God is Love, let Us All Love.

I Am,
The Most Rt. Hon. King Emmanuel Charles Edwards,
The Lord’s Servant,
Champion of Human Rights,
Secretary General of the Back United Nations,
Governor of the Nations,
